

Loreto High School Chorlton

Safer Recruitment Policy

March 2015

1. INTRODUCTION

This policy has been developed to embed safer recruitment practices and procedures throughout Loreto High School and to support the creation of a safer culture by reinforcing the safeguarding and well-being of children and young people in our care. This policy complies with guidance outlined in *Keeping Children Safe in Education – April 2014* and *Dealing with allegations of abuse against teachers and other staff – DfE 2012* and has been ratified by the Governing Body on **(insert date)** and will be reviewed on **(insert date)**. Loreto schools and colleges in England are centred in God, rooted in Christ and animated by the spirit of Mary Ward, the founder of the Institute of the Blessed Virgin Mary. Our vision is that they will be educational communities where each person has the experience of being loved and valued as a sacred individual created by a loving God; communities where students enjoy an enriching and liberating education that helps them grow into the fullness of life and empowers them to be men and women of courage who are alive to the needs of humanity and committed to making a better world.

With this mission in mind, it is of crucial importance that every step is taken to ensure that those who are employed in this mission share our commitment to the highest standards of safeguarding for the students in our care.

- 1.1 This policy reinforces the conduct outlined in the Government Office North West 'Guidance for Safer Working Practice for Adults who Work with Children and Young People' as well as the school's whistle blowing policy all staff are expected to be familiar with. All successful candidates for paid or volunteer employment will be made aware of these documents.
- 1.2 This policy is an essential element in creating and maintaining a safe and supportive environment for all pupils, staff and others within the school community and aims to ensure both safe and fair recruitment and selection of all staff and volunteers by:
 - attracting the best possible candidates/volunteers to vacancies

 - identifying and rejecting those candidates/volunteers who are unsuitable to work with children and young people
- 1.3 Loreto High School is committed to using disciplinary procedures that deal effectively with those adults who fail to comply with the school's safeguarding and child protection procedures and practices.
- 1.4 As an employer we are under a duty to refer any allegation of abuse against a member of staff to the Local Authority Designated Officer within one working day of the allegation being made. A referral will be made if a teacher or member of staff (including volunteers) has:
 - behaved in a way that has harmed a child, or may have harmed a child
 - possibly committed a criminal offence against or related to a child
 - behaved towards a child or children in a way that indicates he or she would pose a risk of harm if they work regularly or closely with children
 - conducted an act which is deemed inappropriate and may impact on the school's reputation or confidence in staff's ability to safely work with children.
- 1.5 As an employer we are under a duty to refer to the Disclosure and Barring Service

(DBS), any member of staff who, following disciplinary proceedings, is dismissed because of misconduct towards a pupil and we may refer any concerns we have before the completion of this process.
