Geography	Engineering BTEC	Child Development
History	Food & Nutrition	Computer Science
Spanish	French	Drama
Study Support	Physical Education	Geography
	Spanish	History
	Textiles Art	ICT
		Music Technology
		Media Studies

Students should spend between 90 and 150 minutes completing home study each night. Home study tasks will be set on the days outlined above whenever possible. All homework will be uploaded onto Show My Homework. If the study task is completed quickly then students should use the additional time to revise and complete further self-directed study using websites such as My Maths or BBC Bitesize . Ninety minutes per day is an absolute minimum for all Y10 students.
