History	Drama	Drama
French	French	Engineering BTEC
	Geography	Food & Nutrition
	ICT	History
	Media Studies	Music Technology BTEC
	Music	Spanish
	PE	Textiles Art

Students should spend between 90 and 150 minutes completing home study each night. Home study tasks will be set on the days outlined above whenever possible. All homework will be uploaded onto Show My Homework. If the study task is completed quickly then students should use the additional time to revise and complete further self-directed study using websites such as SAM learning or My Maths. Ninety minutes per day is an absolute minimum for all Y11 students.
