

Loreto High School Chorlton

Year 7 Home Study Timetable Week A

Week A	Monday	Tuesday	Wednesday	Thursday	Friday
7 X1	RE Science	Geography English	DT French	History	Art Mathematics
7 X2	Mathematics	English Science	DT History	Art RE	French Geography
7 X3	RE Mathematics	English History	Computing DT	Geography	French Science
7 X4	French Mathematics	English History	DT RE	Geography	Art Science
7 Y1	Geography RE	English DT	French Science	Art Mathematics	History
7 Y2	English French	Art DT	Geography	History Mathematics	Science RE

Students should spend between 45 and 90 minutes completing home study each night. Home study tasks will be set on the days outlined above whenever possible, although sometimes teachers may have to set them on different days. Forty-five minutes home study per night is an absolute minimum for all students. If the study task is completed quickly then students should use the additional time to revise and complete further self-directed study using books or websites such as My Maths or BBC Bitesize or other subject websites as outlined by your teacher.
